Related U.S. Application Data

(63) Continuation of application No. 14/927,789, filed on Oct. 30, 2015, now Pat. No. 11,425,213.

(60) Provisional application No. 62/073,073, filed on Oct. 31, 2014.

(57) **ABSTRACT**

A method for profile matching includes receiving, from a first user, a first preference regarding a second user. The method includes receiving, from the second user, a second preference regarding the first user. The method also includes determining, based on the first preference and the second preference, to allow the first user to modify the first preference. The method also includes receiving, from the first user, a request to modify the first preference. The method also includes modifying the first preference.
